

Michael P. Thomas

Michael P. (Mike) Thomas is vice president and division controller for the Government Communications Systems Division (GCSD). Mr. Thomas reports to the chief financial officer of the corporation. GCSD develops and produces advanced communication and information systems for the Department of Defense and other government agencies and their prime contractors.

Since joining Harris in 1982, Mr. Thomas spent 4 years supervising various accounting functions, and was subsequently promoted to manager, where he held positions in financial planning and reporting and government contract compliance. He was promoted to director of Financial Services for Melbourne Divisions Support Operations in May 1991, and to division controller of the Controls Division in July 1995. Most recently he was vice president and sector controller for the former Electronic Systems Sector. He was appointed to his current position in July 1999.

Prior to joining Harris, Mr. Thomas served in the U.S. Navy as a supply corps officer where he supervised procurement, stores, pay records, and budgeting.

Mr. Thomas holds a B.S.B.A. degree in accounting from Auburn University, and an M.B.A. degree in finance from the University of Florida. He is a member of Financial Executives International and the National Contract Management Association.

Harris is an international communications and information technology company serving government and commercial markets in more than 150 countries. Harris is dedicated to developing best-in-class *assured communications*[™] products, systems, and services for global markets, including government communications, RF communications, broadcast communications, and wireless transmission network solutions.
